Engineer: Jacob Civil Consultants, Inc.
5 Penn Plaza, 18th Floor, New York, NY 10001

Contact: Omar K. Raheem, P.E.
Tel: (212) 944-2000

Project Value: \$11.0M

Completion: October 2009

Scope of Work:

Interior fit-out of 20,000 square feet of floor space for conversion into an office. The renovation includes perimeter and partition walls, floor coverings and interior finishes, doors and locksets, security system-cased access at entry doors, intrusion detection at selected security-sensitive doorways, a ceiling panel system with support grid, fire sprinkler system, chemical base fire protection, HVAC, fluorescent lighting, electrical, telecommunication systems (voice and data), addition of CCTV cameras and a UPS system. Constant accommodations were provided to facilitate daily operations of the building, office employees, MTA customers and the general public.
